

Dr. Tin Tran Bio

Dr. Tran was inspired to pursue healthcare after watching family and friends struggle to find answers and relief from traditional providers. His goal became clear: to provide the kind of care that truly makes a difference. Today, he empowers patients by teaching them about the body's natural ability to heal itself and guiding them toward their health goals through chiropractic care and holistic wellness.

At Right Spot Wellness, Dr. Tin loves the sense of community and the joy his team brings to promoting health. He takes pride in being part of a group that is not only passionate about wellness but also dedicated to helping patients take charge of their own health journeys.
