

## **Kasim Abdur Razzaq Bio**

Kasim Abdur Razzaq is a sought after speaker, author, business owner & psychotherapist from the historic Rondo Neighborhood of St. Paul, Minnesota. He utilizes his formal education, natural gifts and life experiences to improve the lives of people and organizations.

### ***His philosophy***

Kasim has crafted a unique process to interpersonal engagement known as "Social Architecture." As a social architect Kasim works on spaces not people as he constructs sacred space for people to learn, heal and grow!

### ***Results***

Kasim's work has shifted attitudes, beliefs, practices, culture and climate within organizations. He has facilitated change work for universities, community organizations, religious institutions, K-12 education, youth development programs and corporate spaces.
